Subject: Permit to Commence Small Mine Activities, Wall and Rock, Inc., Gulch Mine, S/023/0087, Juab County, Utah

Dear Mr. Wilhite:

Thank you for providing a new reclamation contract for the Gulch mine. The contract has been signed, and a copy is enclosed for your records. I am also including a copy of the approved Notice of Intention to Commence Small Mining Operations.

The Division of Oil, Gas and Mining finds the reclamation surety for this site to be adequate with the conditions stated in John Robinson's letter of January 15, 2015, and reiterated in your e mail of March 31, 2015:

1. Tires and other trash (excluding the excavator) have been removed from the site.
2. No mining or other expansion of the disturbance is allowed before the surety amount is increased.

The Division acknowledges receipt of \$450.00 for permit fees for 2013, 2014, and 2015.

Thank you for your cooperation in resolving these issues.

Sincerely,

Paul B. Baker
Minerals Program Manager
